Alex Crisses Named as a Top Software Investor of 2019 by GrowthCap

Alex Crisses, Managing Director in General Atlantic's New York office, was selected as one of GrowthCap's Top 25 Software Investors of 2019. Alex focuses on General Atlantic's investments in the Technology sector and was recognized for co-heading the firm's Emerging Growth Initiative and his leadership of the thematic sourcing program.

GrowthCap's inaugural list includes investment professionals who have demonstrated deep software sector expertise, corporate strategic acumen, investment judgement, and consistent professional performance over a sustained period of time.
