

# Anna Golynskaya Named to The Wall Street Journal's Pro PE Women to Watch 2022 List

Anna Golynskaya, Managing Director at General Atlantic, was named to The Wall Street Journal's Pro PE Women to Watch List 2022 for her many contributions to the firm's capital partnering efforts, as she has been instrumental in forming new capital partner relationships and deepening existing ones. Anna has also played a pivotal role in globalizing GA's investor base in emerging markets including Latin America and Asia.

The list, curated by The Wall Street Journal's editorial team, honors a different group of women who have risen through the professional ranks at their respective firms and proven their skills in deal making, relationship building and cultivating talent. This year marks the 7th annual list.
