

Sam Lerer Named to Forbes “30 Under 30” List

Sam Lerer, Vice President on General Atlantic’s Internet and Technology team, was named to Forbes’ “30 Under 30” Venture Capital List, for investing in the next great technology companies. The list was selected by Forbes’ editorial team and a panel of industry judges to honor men and women under the age of 30 who provide funding and support to leading startups. Sam joined General Atlantic in 2013 to focus on investments in the Internet & Technology sector.
