

Sofia Garrido Named to Bloomberg's 50 Women of Impact in Latin America 2022 List

Sofia Garrido, Vice President at General Atlantic, was named to Bloomberg's 50 Women of Impact in Latin America 2022 List for her leadership in executing GA's investments in innovative Latin American growth companies and her support of entrepreneurs driving digital transformation and economic growth across the region.

The list was curated by Bloomberg Línea's editorial team, which focused on leadership, financial impact and social influence in selecting the 50 female leaders on this list. These women all have a strong and important impact in their diverse areas of expertise across Latin America.
