

David Hodgson

Vice Chairman

Region: United States

Office Location: New York

Dave Hodgson is Vice Chairman of General Atlantic and has been a member of the investment team for more than 30 years, with extensive experience across the firm's sectors. After joining General Atlantic as its third investment professional in 1982, he helped build the firm with a singular vision of supporting entrepreneurs as they work to grow their businesses. From the outset, Dave's mission has been to partner with strong growth companies led by exceptional management teams to help their organizations become market leaders.
