

Cornelia Gomez

Principal Global Head of ESG

Region: 1

Office Location: London

Cornelia Gomez is a Principal at General Atlantic and the firm's Global Head of ESG. In this role, she oversees the firm's strategy to advance environmental, social and governance (ESG) efforts for its global operations and across its portfolio. Before joining General Atlantic in 2022, Cornelia was Head of ESG and Sustainability at PAI Partners, and she also served as the Global Coordinator for the International Climate Initiative (iCI), a Private Equity industry group that is sponsored by the United Nations' Principles for Responsible Investment. Previously, Cornelia led the Social and Environmental Compliance unit at Casino Group.

Education

ESCP Europe, *Masters in Business Management*
