

Dr. Mohit Kaushal

Senior Advisor

Region: 1

Office Location: Palo Alto

Dr. Mohit Kaushal is a Senior Advisor at General Atlantic, providing strategic support and advice to the firm's investment teams and portfolio companies in the Healthcare sector, drawing on his extensive career in investing, clinical medicine, academia, and public policy. Mohit served as a member of the White House Health IT task force during the Obama Administration and built and led the first dedicated healthcare team at the Federal Communications Commission. He serves on the Food and Drug Administration Safety and Innovation Act Workgroup of the Health IT Policy Committee and the National Committee on Vital and Health Statistics, advising Health and Human Services on data access and use. Mohit is also an ER physician, an Adjunct Professor of Biomedical Data Science at Stanford University, and continues to be active within public policy as a Scholar in Residence at the newly created Duke Margolis Center for Health Policy. Earlier in his career, he was a Visiting Scholar at the Brookings Institution.
