

Michael Gosk

Managing Director, Chief Financial Officer

Region: 1

Office Location: New York

Michael Gosk is a Managing Director and Chief Financial Officer at General Atlantic, with principal responsibility for the firm's finance, accounting, and investor reporting operations. He also serves on the firm's Executive Committee and oversees the firm's global IT function. Prior to joining General Atlantic in 2019, Michael spent over a decade with General Electric in a series of financial leadership roles, most recently serving as Vice President and Chief Tax Officer. Before his time at GE, Michael was a partner at global law firm McDermott Will & Emery and a partner at KPMG.
