

Suhit Gupta

Senior Vice President, Chief Information Officer

Region: 1

Office Location: New York

Suhit Gupta is the Chief Information Officer at General Atlantic and leads the firm's Global Information Technology team. In this role, Suhit oversees General Atlantic's global information technology initiatives, including infrastructure, cybersecurity, and business applications. He also helps to drive technology-enabled solutions across the firm. Before joining General Atlantic in 2020, Suhit was Chief Information Officer for the Solutions business at The Carlyle Group. Prior to that, he was Chief Technology Officer at Maverick Capital, Ltd. and Technology Manager at Bridgewater Associates, LP.
